

# Children's Defense Fund Haley Farm, Clinton Tennessee

July 19–23, 2010

Emerging leaders, members of the “Joshua and Deborah Generation,” play a critical role in the movement for children, and will carry the work of child advocacy into the future. Some emerging leaders are young in age, and others are preparing through seminary to enter into ministry; therefore, the Joshua and Deborah Generation at Proctor has two tracks, one for young people ages 16–25, and one for seminarians of any age.

## New Leaders: Joshua and Deborah Generation (Seminarians and YALT®) at the Samuel DeWitt Proctor Institute
