## Health Coverage for All Children: South Dakota

October 2009

### All Children Need Health Coverage that is Affordable, Comprehensive, and Simple.

#### Health Coverage for South Dakota's Children:

- 20,000 children are uninsured (9.4% of all children) . \*
- 67,699 children are enrolled in Medicaid. \*\*
- 15,277 children are enrolled in the Children's Health Insurance Program (CHIP). \*\*\*

#### How affordable is health coverage for South Dakota's children? †

- CHIP eligibility is up to 200 percent of poverty (\$44,100 for a family of four).
- Medicaid eligibility is 140 percent of poverty (\$30,870).

#### How simple are enrollment procedures in CHIP and Medicaid for South Dakota's children?

- Simplification procedures:
  - No face-to-face interview
  - No asset test
  - Joint application
- Barriers that remain:
  - 3 month waiting period
  - No 12-month continuous eligibility
  - No presumptive eligibility—which forces children to wait until their application is processed before they can see a doctor
  - No administrative verification of income—the state requires parents to provide proof of income before a child can get health coverage
