# LOCAL UPDATES COUNT

The list of addresses that the Census Bureau uses to determine its count could be missing important information.

The Local Update of Census Addresses Operation (LUCA) is the only opportunity for tribal, state, and local governments to review and comment on the Census Bureau's residential address list.

LUCA gives local governments the chance to ensure all of their citizens are included in the 2020 Census.

## BY SIGNING UP, LOCAL GOVERNMENTS CAN...

- Help ensure an accurate 2020 Census count
- Ensure local governments receive the federal funding they deserve
