Request for Proposals for Legal Services

I. INTRODUCTION

The Children’s Defense Fund (CDF) is seeking proposals from qualified firms wishing to offer corporate legal services for the organization. The successful firm will provide exemplary, mission-aligned service predictable fee structures, and opportunities for knowledge sharing. The highest standards of ethics and business conduct are expected. Our goal is to establish a strong relationship with providers who appreciate and can help CDF to realize its mission, vision, and strategy. Prospective firms should demonstrate a breadth of experience to meet CDF’s legal needs and a clear commitment to diversity, equity and inclusion in their proposed team and firm-wide hiring practices.

II. BACKGROUND OF ORGANIZATION

The Children’s Defense Fund’s Leave No Child Behind mission is to ensure every child a Healthy Start, a Head Start, a Fair Start, a Safe Start and a Moral Start in life and successful passage to adulthood with the help of caring families and communities. The Children’s Defense Fund envisions a nation where marginalized children flourish, leaders prioritize their well-being and communities wield the power to ensure they thrive.

CDF serves and advocates for the largest, most diverse generation in America: the 74 million children and youth under the age of 18 and 30 million young adults under the age of 25, with particular attention to those living in poverty and communities of color. We partner with policymakers, aligned organizations and funders to serve children, youth and young adults. With headquarters in Washington, D.C., CDF programs operated in nearly 100 U.S. cities and thirty (30) states or territories. For more information visit https://www.childrensdefense.org

IV. OTHER PROPOSAL INFORMATION

Outsourced History. CDF has used several law firms over the last 47 years, utilizing a combination of pro bono representation and fees-for-services from firms with expertise in a variety of areas. CDF has relationships with 5-10 firms that operate in a pro bono capacity on discrete projects and may wish to continue utilizing pro bono services in some instances.

The successful firm selected through this process will be our lead and primary legal services firm, consolidate our approach to representation and either manage or advise future pro bono efforts. CDF believes that it is a good business practice and good stewardship to periodically seek proposals for comprehensive legal services.

Employees. CDF currently has 65 staff based in the headquarters in Washington, DC and 79 dispersed among six state and regional offices and one training center across the country.

Approach to Engagement. CDF intends to engage with a qualified firm that will provide services under retainer at contracted hourly rates. It is anticipated that specific services will be engaged based on scope with a total and hourly fee estimate for each task from the selected firm in advance of a notice to proceed. CDF welcomes proposals that include access to pro-bono representation as appropriate to meet the legal needs of the organization on certain projects as mark of partnership for our social sector mission.

Access to Work Product. CDF and their authorized representatives will have free and unrestricted access throughout the contract period and after the contract ends to work papers, records and reports prepared or in process of being prepared under this engagement.

Confidentiality. The law firm, its affiliates, and any subcontractors it may engage to assist with the support, agrees to keep information related to the Children’s Defense Fund, its finances, and its grants in strict confidence. Other than reports submitted to CDF, the contracted firm agrees not to publish, reproduce, or otherwise divulge such information, in whole or in part, in any manner or form, or permit others to do so.
